After confirmation, Trustee shall make distributions as provided elsewhere in this plan. Unless section 8 provides otherwise, the adequate protection payment amount shall be two percent of the estimated value of the collateral. Creditor/ Lessor Property description (& est. value if adequate protection) Payment [Continue in section 8 or on continuation sheet as necessary.]

If checked, Debtor shall make adequate protection / lease payments directly to the payee and provide evidence of payment to Trustee.

SECTION 3 – CLAIMS

- **3.01 Proofs of Claim.** All creditors, including secured creditors, must file a proof of claim in order to receive payments from Trustee, even if this plan mentions their claim. Unless the court orders otherwise, Trustee shall make distributions only on timely filed proofs of claim. Trustee may rely on the face of the proof of claim despite any other information contained in any attachments thereto.
- **3.02 Determination of Claims.** The proof of claim (and any court order disposing of a plan motion or any objection to the claim), not this plan or the schedules, shall determine the amount, classification, and priority of each claim. The information about claims in this plan (other than the classification of claims in Class 6) is provided for informational purposes only and is not binding on any party.
- **3.03 Secured Claims Limited Stay Relief.** Notwithstanding 11 U.S.C. § 362, any secured creditor may transmit to the debtor payment coupon books and other statements, and may continue any electronic funds transfer ("EFT") payment arrangements that Debtor validly authorized prepetition. The secured creditor shall file with the court all post-petition notices and communications that inform the debtor of a change in the amount, timing, or application of the debtor's payments, including notices of interest rate and escrow account changes, and shall ensure that such filing complies with applicable privacy laws and regulations.

SECTION 4 – CLASSIFICATION OF CLAIMS

- **4.01** Class 1 consists of secured claims where (a) Debtor was in default on the petition date and (b) the claimant's rights are not modified by the plan, except for the curing of the default. A holder of a Class 1 claim will retain its lien until the underlying debt is paid in full under nonbankruptcy law. This plan does not modify the holder's rights other than by curing the default by paying the prepetition arrearage, i.e. the regular installments of principal, accrued and unpaid interest and other charges, such as attorney fees and collection costs, that became due before the petition date.
- **4.01-1 Cure Payments by Trustee.** Unless the claim holder agrees to different treatment, Trustee shall make distributions to cure the prepetition arrearage on each Class 1 claim by making monthly payments that include the interest on the prepetition arrearage at the standard interest rate described in section 7.03, unless a different rate is stated in the table below. Each Class 1 claimant shall apply such payments only to the prepetition arrearage. The amount of any prepetition arrearage is the amount stated in the claimant's proof of claim, unless the court orders otherwise. Trustee shall make no payment on a Class 1 claim to a claimant whose proof of claim states that the arrearage is \$0.00, none, or the like, or if the arrearage amount is left blank. Treatment of a prepetition arrearage under an unexpired lease or executory contract is provided for in section 4.08. Trustee's payment of the full amount of the arrearage stated on the claimant's proof of claim will bar the claimant from asserting that the prepetition default has not been cured.
- **4.01-2 Maintenance Payments by Debtor.** Except for any Class 1 claimants identified by a checked box in the table below, Debtor shall pay directly to the Class 1 claimants (or their agents) each payment first becoming due without acceleration after the petition date ("postpetition installments") as and when due under the applicable agreement and applicable law.

SECTION 5 – DISTRIBUTIONS

5.01 Order of Distributions. As soon as practicable after plan confirmation, Trustee will distribute funds monthly in the following order: (a) the percentage fee to Trustee under 28 U.S.C. § 586(e); (b) any maintenance payments due on Class 1 claims under section 4.01-3; (c) administrative expenses, including Debtor's attorney fees allowed under applicable rules and guidelines; (d) cure payments for prepetition arrearages on Class 1 claims, Class 2 claims of secured creditors under 11 U.S.C. § 1325(a)(5), claims under executory contracts and unexpired leases if designated as Class 1 claims, and compensation for a chapter 7 trustee under 11 U.S.C. § 1326(b)(3); (e) Class 5 priority unsecured claims; (f) Class 6 special unsecured claims, including claims under executory contracts and unexpired leases designated as Class 6 claims; and (g) Class 7 general unsecured claims. Within each level of distribution, claims shall be paid on a pro rata basis.

SECTION 6 -- LIQUIDATION ANALYSIS

6.01 Liquidation. The value, as of the date the petition was filed, of property to be distributed under the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate were liquidated on such date under chapter 7 of the Bankruptcy Code. Debtor estimates, in good faith, that liquidation would be as follows.

1. Real property – Schedule A	\$	5. Exemptions – Schedule C	\$
2. Personal property – Schedule B	rsonal property – Schedule B \$ 6. Secured claims (less unsecured portions, if any) – Schedule D		\$
3. Property recoverable by avoiding powers	\$	7. Priority claims – Schedule E	\$

SECTION 7 -- MISCELLANEOUS PROVISIONS

7.01 Joint Debtor. Any reference to the Debtor in this plan includes the Joint Debtor, if any.

7.02 Debtor's Duties. Debtor acknowledges that Debtor must: (a) make timely plan payments and carry out this plan; (b) comply with Debtor's obligations under the Bankruptcy Code and Rules, the Local Bankruptcy Rules, and any applicable local orders and guidelines; (c) file all postpetition federal, state, and local tax returns, and pay all postpetition taxes as they come due, including, if applicable, any requisite estimated income taxes and/or federal tax deposits for payroll taxes; (d) submit to Trustee a copy of each tax return or amendment thereof required for each tax year ending while the case is pending under chapter 13, immediately after filing such returns with the taxing authority; (e) file, if requested, updated schedules I and J or other statement made under penalty of perjury showing monthly income of Debtor, and how income, expenditures, and monthly income are calculated, on each anniversary of plan confirmation; (f) provide any financial information requested by Trustee, including that regarding a business; (g) maintain insurance as required by any law, contract, or security agreement on all vehicles and real or personal property subject to a security interest in the amount of the outstanding claim of the creditor or value of the collateral, whichever is less, unless the court orders otherwise; (h) if Debtor operates a business, maintain liability and other insurance as requested by Trustee; (i) pay timely to the court-ordered recipient all domestic support obligations that come due after commencement of the case; (j) obtain court approval before encumbering, selling, or otherwise disposing of any personal or real property other than in the ordinary course of Debtor's business; and (k) obtain written approval from Trustee or court approval before incurring any new debt exceeding \$1,000. **Debtor understands that failure to comply with** any of these obligations may justify dismissal of this case, conversion to another chapter, or other relief.

-1 12/09 [ECF: Chapter 13 Events ... 1 Chapter 13 Plan – ORIGINAL or 2 Chapter 13 Plan – AMENDED Before Confirmation]

- **7.03 Interest Rate.** The standard interest rate on certain claims is calculated periodically as the national prime rate of interest plus 1.5% and is posted at the court's website. The interest rate with respect to a tax claim or an administrative expense tax is governed by 11 U.S.C. § 511.
- **7.04** Vesting and Possession of Property. Except to the extent necessary to fund this plan, property of the estate shall revest in Debtor upon entry of the confirmation order. If the case is converted to a case under another chapter, or is dismissed, the property of the estate shall vest in accordance with applicable law.
- **7.05** Cure Payments for Prepetition Arrearages. For all purposes, including but not limited to 12 U.S.C. § 2601 et seq., and Reg. X ("Regulation X"), 24 C.F.R. § 3500.17(i)(2), all claims shall be deemed reinstated and current upon the entry of an order confirming this plan. No creditor shall be excused from any obligation imposed by law or contract to provide notices of payment changes, interest rate changes, escrow account statements, other account statements, or similar information to the Debtor. All creditors shall promptly file copies of such notices and statements with the court.
- **7.06 Mortgage Maintenance Payments.** If Debtor has identified any creditors under section 4.01-3, then, within 30 days after issuing the final payment of the prepetition arrearage owed to such creditor, Trustee shall serve upon the affected creditor, Debtor, and any attorney for Debtor, a notice stating that (a) any defaults under the mortgage have been fully cured and the mortgage obligations are current and not in default as of the date of the notice, (b) if the mortgagee disagrees, the mortgagee is required to itemize all outstanding payment obligations as of the date of the notice, and file a statement of these obligations with the court, giving notice to Trustee, Debtor, and any attorney for Debtors, within 60 days of service of the notice from Trustee (or such longer time as the court may order), (c) if the mortgagee files and serves a statement of outstanding obligations within the required time, Debtor may (1) within 30 days of service of the statement, challenge the accuracy of the statement by motion filed with the court, on notice to the mortgagee and Trustee, with the court resolving the challenge as a contested matter, or (2) propose a modified plan to provide for payment of additional amounts that Debtor acknowledges or the court determines to be due. If the mortgagee fails to file a timely statement of outstanding obligations, the court may enter an order determining that the mortgage is reinstated and fully current as of the date of the Trustee's notice. No liability shall result from a non-willful failure of Trustee to serve the notice required by this provision.
- **7.07 Effect of Relief from Stay.** As soon as practicable after Trustee receives notice of an order unconditionally permitting a secured creditor to foreclose on or repossess its collateral, Trustee shall cease making distributions on all claims secured by such collateral except for funds then being held by Trustee for distribution, unless the court orders otherwise. This does not affect the number or amount of periodic payments due from Debtor under the plan.
- **7.08** Lack of Feasibility Based on Claims Actually Filed. Trustee may file a motion to dismiss if Trustee determines that, based on the timely filed proofs of claim, the plan funding will be insufficient to pay in full, within 60 months from confirmation, administrative expenses, the prepetition arrearages on Class 1 claims, and the full amount of Class 2, Class 5, and Class 6 claims, and the amount of Class 7 claims required to satisfy 11 U.S.C. § 1325(a)(4). The court may dismiss the case without further notice if Debtor fails to file, within 30 days after the date of notice of such motion, an objection to claim or a motion to modify the confirmed plan which will cure the problem.
- **7.09 Conversion or Dismissal.** Debtor agrees that, if this case is converted to another chapter, Debtor shall promptly file a new schedule C Property Claimed as Exempt. Trustee shall distribute any plan payments held by Trustee at the time of conversion or dismissal of the case to holders of allowed claims in accordance with the order of distribution under this plan.
- **7.10 Student Loan Debt.** A debt of the kind specified in 11 U.S.C. § 523(a)(8) will not be discharged upon completion of the plan unless the debtor has obtained a determination by the court that paying the debt in full would impose an undue hardship on the debtor and the debtor's dependent.
- **7.11 Certification.** Debtor declares, under penalty of perjury, that this plan has been proposed in good faith, that the information provided in this plan is true and correct to the best of Debtor's knowledge, information, and belief, and that Debtor will be able to make all plan payments and otherwise comply with all plan provisions.
